Docket No. 98N-1265

Food and Drug Administration APR 14 10:00

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Ever since I'm using the
prescription through Madison, which
I could not get anywhere else locally
I have been feeling much better.
